## 2019 LIMBS Annual Report

We are excited to share our **2019 LIMBS Annual Report**, which includes information about amputees' continuous need for LIMBS legs, our mission, our rehabilitation clinics, and all our accomplishments over the past 15 years, thanks to all the donors who continue to trust in us.

Please visit our website to read all about this good news or contact us, and we can mail your own copy.

LIMBS continues to give hope and independence to our patients by providing prosthetic devices, rehabilitation services and emotional support.

Thanks to our donors, LIMBS continues to **transform lives ... one step at a time!**
